To whom it may concern,

My name is Fadhilatul Saadiah Bt Abdul Malek. I'm a secondary school teacher who is currently teaching in MRSMA Pengkalan Chepa.

3 years ago I have a privilege of teaching a wonderful young man by the of [REDACTED] RIZQ [REDACTED] KHAIRULNIZAM. He was one of the best students in MRSMA Pengkalan Chepa. I was lucky because he was in my class. His fluency in English is better than his peers. In fact he used to help them when they were having trouble in English class. He was one of the mentors in English. Though he is good in English he did not look down on his classmates who were mediocre. He got along well with his classmates. He was well liked by many: teachers and friends.

Being a mentor has improved his social skill as well as leadership skill. He is a good listener, as well as a good team player. He is patient and willing to work hard to achieve his dreams. For him challenges are part and parcel of life to be a successful person. In school he had exhibited his strong will and determination to make sure all his dreams came true.

His leadership skill is also a thing that makes him amazing. He has proven to be a good leader, in helping and mentoring his classmates. He took time to listen to them and was willing to sacrifice his time to help them. That is why he is well liked by many.

I'm sure Rizq will prove himself to be an asset to any organization. He is the man who will realize all the missions and visions of any organization that will hire him.

Yours sincerely,

(FADHILATUL SAADIAH ABDUL MALEK)

Head of English Unit MRSMA Pengkalan Chepa,
